

## **DR. MARY LUPO TO PARTICIPATE IN THE 2012 COSMETIC BOOTCAMP**

New Orleans, LA - Mary P. Lupo, M.D., Board Certified Dermatologist and Clinical Professor of Dermatology at Tulane Medical School, will be a faculty member at the 2012 Annual Cosmetic Bootcamp (CBC) Summer Meeting "Didactic and Live Technique Symposium." The meeting, which will be held at The Broadmoor in Colorado Springs, Colorado, on July 19-22, is open to physicians who are board certified in the field of Dermatology, Otolaryngology, Plastic Surgery, Facial Plastics or Ophthalmology. Dr. Lupo is a co-founding chairman of CBC and a past program director of the bootcamp.

Through didactic presentations, live patient demonstrations and publications by the most reputable experts in the aesthetic field, CBC is the leading resource for aesthetic professionals who shape their specialties through teaching, mentoring and research. The meeting also includes industry exhibits showcasing the latest technology, products and scientific advances as well as an intimate setting to interact with faculty and colleagues. The diverse offerings of activities fulfill the educational needs of physicians, residents, extenders and office staff.\* Guests are also offered ample free time each day to enjoy the beautiful Broadmoor Resort and Colorado Springs.

"Cosmetic Bootcamp is committed to highlighting the benefits of utilizing only board certified physicians from the 'core four' - dermatology (with their pioneering of non-surgical injectable and laser rejuvenation), plastic surgeons (for their work in surgical aesthetic procedures), ophthalmology and otolaryngology (for their pioneering work in neuromodulation)," said Dr. Lupo. "These specialties get core training during residency to allow them to deliver the best and safest results for patients."

This year's program is broken down into eight modules:

1. Neuromodulators 2012
2. Fillers and Beyond
3. Multi-Disciplinary Panel
4. Devices
5. Who You Gonna Call? Fatbusters!!
6. Acne and Rosacea Symposium
7. Combination Therapies
8. Practice Management
