Dr. Mary Lupo Skin Care System

Dermatologist Dr. Mary Lupo developed her skin care line 20 years ago because she wanted control over the ingredients. "It was about being more actively involved in the products (my patients) were using and making sure they chose things that wouldn't cause a problem with things I was prescribing," Lupo says.

LEFT TO RIGHT: Dualistic sunscreen antioxidant features broad-spectrum UVA and UVB protection, \$38.15 at **Lupo Center for Aesthetic and General Dermatology** (145 Robert E. Lee Blvd., Suite 302, 504-777-3047; www.drmarylupo.com).

Intensive target moisturizer has essential fatty acids to nourish skin cells, \$51.23 at **Lupo Center**.

Vivifying vitamin C serum has a non-acidic formula that's ideal for sensitive skin, \$49.05 at **Lupo Center**.

Gentle purifying cleanser is a one-step face wash that doesn't require a toner, \$30.52 at **Lupo Center**.
