Spa Atlantis

Spa Atlantis, owned by licensed massage therapist Richard Borne, is downtown's premier full-service spa. Relax and enjoy services like the Parafango Mud Treatment or a Shellac Manicure. Spa Atlantis is the ultimate in convenience: it boasts two convenient locations, one in the CBD and another in the French Quarter, and both are open on Sundays.

TOOLS OF THE TRADE

Moroccanoil® Treatment

This versatile, nourishing and residue-free formula can be used as a conditioning, styling and finishing tool. It blends perfectly with other products and even speeds up drying time. This is an excellent treatment for hair that has lost its shine and is in need of vitamins and proteins.

The entire line of Moroccanoil products can be found at:

"Botox has an outstanding safety record and received the FDA's seal of approval in 2002. While best known for use in frown lines, it

can also improve crow's feet and forehead lines, as well as reshape the eyebrows and jawline. Always choose a board-certified dermatologist or plastic surgeon for optimal results."
